"Practice" has been the main pastime for nearly a month for participants in the '61 Homecoming Variety Show.

Co-chairmen, Barbara Boyd and John Robertson, disclosed that the practices began Oct. 3 and will continue until Nov. 1.

Delta Zeta, Tri-Sigma, Phi Mu, Alpha Sigma Alpha, Phi Lambda Chi, Tau Kappa Epsilon, Phi Sigma Epsilon, and Sigma Tau Gamma will give skits carrying out this year's Homecoming theme "Famous Firsts and Lasts."

Working with the chairmen are Lois Woolsoncroft and Carol Beamon, committeemen for the variety show.

#### Two Presentations

The Homecoming Variety Show will be presented Nov. 2 at 7:30 P. M. and Nov. 3 at 8:00 P. M. in the Administration building auditorium. Tickets will be sold between the new and old Bearcat Dens beginning Monday and continuing through Thursday, 8:50 A.M.-4:15 P.M.

Students may attend either night, but all seats are reserved. Reserved seats are 50c plus your Activity Tickets with the exception of center seats with cushions, which are 75c. The rate for parents, guests, and others is 75c except center seats with cushions, which are \$1.00.

Tickets will not be held in reserve unless paid for, and Activity Tickets may be used only once and will be punched.

### Senate Makes Rule Changes In Class Elections

Constitutional changes led the agenda in the Student Senate meeting October 19. The main points of revision concerned were (a) nomination and (b) election, where and how.

#### Nominations

During the Wednesday of the third full week in the first semester, all classes shall meet for the nomination of class officers. There may be any number of nominations for each office. A motion to close the nomination is out of order until all nominations have been presented.

The Student Senate will be in charge of setting the time and of notification as to the time of nominating conventions. The (Continued on Page Three)

#### Test Results

Freshmen are reminded that conferences with Dean Charles Koerble are being continued for all interested in seeing the results of their freshmen tests. Those interested should make an appointment with Dean Koerble's secretary.

### Election Rules Set by Senate

Homecoming queen campaigns were severely restricted by new rules imposed by the Senate.

All campaigns shall begin Wednesday, November 1, at 7 a.m. and end November 2 at 4:00 p.m. Balloting will be held in the Student Lounge of Colden Hall, Thursday, November 2, from 8 a.m. until 4 p.m.

Each candidate may have two outdoor signs each 50 sq. ft. in area or less. One sign is to be placed in front of Colden Hall and one in front of the Administration Building. Positions will be drawn for by the candidates or campaign managers. One further rule is that the signs may be attached to the ground only.

#### Indoor Signs

Each candidate may have three indoor signs 3' x 4' or less. The indoor signs are to be placed in Colden Hall, in the Den, and one in the administration building. (Continued on Page Four)

### 'Barbs' Select Queen Candidate

Miss Norma Fletchall was chosen at the Oct. 1 meeting of the Independent Student Organizing Group to represent them in the bid for '61 Homecoming queen. Miss Fletchall is a senior.

The group is in the process of organizing and the campaign will be the first of their major endeavors.

The dues were set for membership in the group at 2 dollars per semester. Leaders of the group urge all interested students to attend their meetings held every other Tuesday, at 6:30 p.m., in room 207 of the Administration building.

### Drama Opener To Be Staged Tomorrow Eve

Finishing touches and last minor preparations are being perfected for "Tall Story." Tomorrow marks the opening of the season's initial production, which will be presented at the auditorium at 8 P.M. for Thursday and Friday night runs.

All students are urged to attend this comedy concerning a college basketball star who finds himself in hot water. Jim Hurley and Diane Hunt will act the leading roles.

Admission will be free upon display of student activity cards; general admission tickets will cost \$1.

### THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## Letters to the Editor

Say, EVERYBODY, have you heard what Sam Sneaker and Suzy Smooch did after the dance Saturday night? Oh, you haven't? Well, have you heard the words that are being used in an attempt to describe the food in the Union? You haven't, huh? How about some of the names the boys are calling each other? No? Well, we've heard all of this and more. We heard about Sam and Suzy while standing in the lunch line, and the other pearls were dropped at the tables.

Truthfully, haven't you heard some of the phrases that are being used in the Union and elsewhere? Well, we don't know about you, but we feel that this type of language is just a little out of place in a mixed group; and we don't feel like prudes in being just a little offended personally. It's probable that many of you feel the same way.

Now, of course, none of you are guilty of this type of public display. We realize that everyone who is reading this is too highminded to let himself slip, but we thought you might have a friend who is careless with his adjectives and that you could gently give him the word. And, if some of you who are reading this have let yourselves slip (naturally, no more than once or twice in the last five years), it might help to be more discreet. It doesn't take a great deal of effort, but it does create a more wholesome atmosphere. What's more, you'll like yourself better, and we'll like you. Try it.

Daniel V. Ragland  
Ray Trauernicht

Dear Sir:

In reply to Mr. Jamison's letter of last week on the subject of organized independents, I wish to clarify a few points about the Independent Student Organization.

First, the name Independent means self-governing, not subject to control by others. It does not mean disorganization or unordered action. The true independent is one who has an interest in the issues and politics of the group and is willing to work to achieve the goals which he feels the government should attain. He does this either actively by organizing a like-minded group who can effectively promote their common aims or passively by voting only for those proposals which meet his approval and which he has an opportunity to vote upon. The I.S.O. has chosen the active method to realize its purposes.

Second, the I.S.O. is a completely autonomous body, having no national organization to impose regulations, restrictions, or national dues. It is designed solely for this campus, devotes all of its efforts toward the betterment of this campus, and has as members only students from this campus. The I.S.O. puts no restriction on who may join except for the natural exclusion of Greek-affiliated students, exacts no oath of loyalty, subjects no one to hazing or pledgeship, and abides only by the rules its members set up in accordance with the Constitution of the Student Government Association. In this way the I.S.O. is independent.

Third, the leaders, members, and anyone else associated with the I.S.O. do not expect to run the campus, subvert any established authority, or to incite Greek hatred. They desire only to have the representation and rights to which their organization is entitled, and be able to have social and recreational activities for the members.

The Independent Student Organization, then, is a body of students who desire organization, activity, and social life without the restrictions and financial obligations of a sorority or fraternity.

Bob Johnson, secretary, I.S.O.

## Board Plans Years Program

Do you know your Union Board? It is an important and active organization here on the NWMSC campus. This board controls all social activities on campus and provides many supplementary activities.

Regular Monday night den dances, den movies and dances following them, all major dances of the year, such as the Christmas dance and the annual all-school spring formal, are just samples of the events sponsored by the Union Board.

The Union Board consists of ten committees which control and coordinate its activities. Chairmen of these committees were chosen in the spring of last year.

### Board Officials

The officials of the Board are Earl Boyd, chairman; Bill Needles, vice-president; Dale Sporleader, treasurer; Shirley Henney, secretary.

The committee chairmen this year are Larry Kulisek, central party; Larry Wilkinson, union dance; Gene Vogel, improvements; Bill Pritchard, decorations; Larry Timmerman, television and movies.

Harry Roberts, tournaments and games; Mary Anthony, fine arts and music; Judy Hullman, special activities; Barbara Loyd, publicity; Carl Mayes, publications.

### Membership Open

Chairmen must now choose members to work with them on various projects. The Board is now carrying on a drive for committee members.

An application blank can be obtained from Mrs. L. G. Blatt, Director of Student Activities, on the second floor of the Union Building. Any Union Board officer or committee chairman will also furnish the student with an application blank.

Membership on a Union Board committee earns one point a year toward Who's Who.

On one of his jaunts, The Stroller made a special trip to see one of the basketball practices.

As he stumbled through the door, he saw the hopefuls panting as they were warming up those out-of-practice muscles. It must have been a good summer! To the surprise of The Stroller, there were only 19 of them. This should indicate that there will be a great amount of competition for the top spots.

. . . The old-timers will be working to keep their statuses, and the newcomers will be aiming for the varsity squad. Twenty pounds lost, twenty to go. . . The few Matt Dillon-sized guys are a great contrast to the ones that manage to emulate Chester during the football season. Could crutches be the new fad? . . . As a side thought, this campus does not have too many unattached (unpinned, not engaged) gals that look like Kitty. (Some of the guys would like her occupation, too—The C. C. in Dodge City.) The Stroller hears that Doc Adams is doing his work well, and the Bearcat footballers are going to clobber the Bears on the fourth!

Speaking of Homecoming, the competition will be most keen for the honors because the Greek girls have voted to eliminate one project from their entries. The time and energy on three entries in previous years will now be put into two. It

should prove to be interesting.

DANCE demonstration in a business class? No, it's just the instructor illustrating how difficult it is to go through the Snack Bar lunch line at noon.

Isn't it rather odd that students can remember the numbers of their favorite tunes on the jukebox in the Den, but when it comes to equations, dates, etc., they find themselves at a loss? Learning those words to songs could be compared to learning Greek names and cities, but which seems to command the most time—and gets it?

TIME (and coke glass breaking) marches on. . . The Stroller wonders if the new policy of discontinuing the use of paper cups in the Den is really such a good idea. Paper cups could be thrown away (in those trash-eaters"), but the glasses go on the corner of bridge tables, under chairs, and in corners, just waiting to be shattered by some "coordinated" passerby.

Jokes of the Week. . . Jell-O, puzzle, turnpike, and oatmeal have dominated the scene.

## Library Tries New System

New wrinkles in the circulation system at the library, made necessary by the increased enrollment, go into effect this week.

The major change is dropping individual cards for students, which will save about one-third of the time formerly needed by Mrs. Hubert Garret and her student assistants in checking books out and in.

For library users, the new system will work much as the old method with two exceptions:

1. There will be one less card to fill out at registration time.

2. For the few who withdraw before the end of the term, the book deposit will be mailed at the end of the term, rather than being refunded immediately.

According to James Johnson, librarian, these changes should help the library give better service to the students, and save them time both when they check-out books and when they are clearing their records at the end of the term.

## Juniors Take SKAT Tests

On October 16, 24 juniors were given the SCAT-STEP Pilot Study tests of the Educational Testing Service of Princeton, New Jersey. These students, 12 men and 12 women, were picked on a random basis.

The tests were given in order to develop norms at the junior level on the same types of tests that the freshmen take. Last March the same tests were given to 24 seniors for purpose of a junior-senior comparison.

Those juniors who participated were: Judy Black, Marvin Blakely, Loretta Boatright, Galen Bonham, Louis Boone.

Joe Bopp, Earl Boyd, Ron Bramble, Mary Lee Bristow, Ann Phern Brown, Lenda Muir Brown.

Betty Joe Bruns, Donna Buckley, Norma Buesing, Alice Burgett, Gary Burgher, Rodney Burrell.

John Bush, Sharon Campbell, Janice Carr, Teddie Carter, Jerry Christensen, Mary Christian, Mary Lee Clements.

## SNEA To Attend State Convention

Nineteen members of the local SNEA group will attend the state convention to be held in St. Louis, Mo., on Nov. 2-3.

The group will leave Thursday morning by bus and return Friday evening. While in St. Louis they will stay at the YMCA and the YWCA.

The Maryville contingent will have nine voting delegates. They are: Martha McCall, Joyce Iwen, Tom Medearis, Joanne Rorebeck, Duane Iwen, Jeanne Davis, Pat Dunham, Connie Stoops and Richard McKenzie.

## Library Personnel To Attend Convention

The annual convention of the Missouri Library Association will be held Oct. 25-28, in Kansas City.

Representing Northwest Missouri State will be Mrs. Phyllis Walrafen, Miss Barbara Pailing, Miss Elvira Denning, and Mr. James Johnson.

## Tower Staff Ballot

The Tower staff has been posing a new idea to you, the student body, and would now like an answer to the question. Are you in favor of a year-round annual which would cover events from the beginning to the end of the school year? If you are, mark an (X) in the blank beside YES. If not in favor mark an (X) in the blank beside NO. Remember this is your annual and should be your decision.

Clip the ballot from the paper when you have filled it out and leave it at the NORTHWEST MISSOURIAN, room 109, Colden Hall.

## Speakers Emphasize US Domestic Problems

An international exchange student from India and a missionary visited the campus of NWMSC, October 18-19. Sponsored by the Methodist Student Movement and the Methodist Board of Missions, the women are a part of a team of eight traveling throughout the United States.

The guests were Miss Barbara Leonard from Salisbury, North Carolina, and Miss Premala Edwards of Jabalpur, India. Miss Leonard received her A.B. in Christian Education from Pfeiffer College in Misenheimer, N.C., where she also minored in music. For the past three years she has worked with the people of the Cagayan Valley of San Mateo, Philippines, where she was youth director.

Miss Edwards, who came to the United States on a Fullbright Scholarship, recently received her Master's Degree in home economics from New York University. She taught for two years at the Woodstock School in India, and has taught science on the elementary level in New York City. She has been working with various Methodist camps and convocations in the U. S.

**Promote Understanding**  
The general purpose of their campus visits is to help the American people develop an awareness of what we can do to help work out today's crucial international problems.

They stated many ways to create better understanding between the world's people, such as scholarship programs, civilian workers, the Peace Corps, and short term missionary work.

They emphasized the importance of knowing the truth be-

hind the scenes of the world's hot spots, which are in a more crucial situation than we realize. The young women stressed that our Congressmen and Senators could promote action toward the printing of more pertinent facts, if they knew the people wanted them.

### Domestic Problems

Miss Leonard and Miss Edwards complained that the propaganda from unsolved problems in the U. S. nearly overshadows the work being done abroad by the Peace Corps, civilian workers, and missionaries.

Commenting further they maintained that we must help transfer our attitudes and ideas to the homelands of exchange students. These impressions have been rather bad of late, they concluded.

## District SNEA Head

Marylin Zbierski, junior, was elected chairman of the district SNEA meeting held here, Oct. 12. Since she is also the historian of the local chapter, this automatically makes her a member of the state board of SNEA.

Miss Joy Tober, district classroom teacher's president from North Kansas City, spoke at the meeting. The following officers were also elected: vice-chairman, Annette Savage, from Tarkio; and secretary, Linda Gresham, from Park Hill.

## Music Thru The Ages

A contrast between jazz and folk ballads of America and ballads with a foreign flavor sets the theme for the October 29 program of "Music Through the Ages."

The program will be aired directly following the St. Louis Cardinal's football game, over KNIM radio. Mr. Floyd Barrows is the host. Approximate time for the show's beginning is 3 p.m.

The jazz selection will be Lionel Hampton's "My Prayer" and "Funny Valentine." Burl Ives' "Little Mohee" and "Troubadour Song" are the American folk ballads to be played.

In contrast to these will be: "Prolovetzian Dances" and "Steppes of Central Asia" by Borodin; "Second Hungarian Rhapsody" by Liszt; and "Capriccio Italien" by Tchaikovsky.

## Chalk Talk . . . Bob Cobb

Recently, the question "Should an athlete who has lettered in a varsity sport be allowed to participate in the NWMSC intramurals program?" was discussed by the Intramurals Council.

### Unfair?

It seems that some students felt that these monogram-winners might be taking unfair advantage in lesser competition. Perhaps these protestors had a sound basis for their argument, but it is not our position to judge.

At any rate, here is the ruling set forth by the Council in regard to this issue. "Athletes who have lettered in a varsity sport may engage in intramurals; but an intramural team is limited to one letterman per squad."

"Letter-earners who have won honors in an individual sport such as wrestling or tennis, may not participate in intramural wrestling or tennis."

### Peterson Comments

All in all, these decisions reflect equality and fairness, and we are in complete accordance with the rulings. After all, as Dr. Peterson says, "Intramurals are a basic part of our athletic department; participation is the primary object of this program; so, we feel that no individual should be discriminated against for wanting to play."

Dr. Peterson also informed us that although the wrestling squad has held no organized practice, the prospects for season's mat team are deemed as excellent.

### 'Cat Leaders

After one conference tilt, the 'Cats stood with one loss and no wins. Yet there have been some bright spots in a thus-far dismal season. Don Daniels leads the 'Cats in rushing with a 4.17 yards per carry; Stu Cline has averaged 4.12 yards in each running attempt. Al Kearns has caught 8 passes for 131 yards.

### MIAA

In other MIAA statistics, Wiegard, of Rolla, is the league's leading ground-gainer, carrying the pigskin for 8.35 yards per run. Collins, of Cape Girardeau, is the top passer, having chucked the ball 32 times and completed 21 tosses for a sizzling 65.62 per cent completion average. Minton, of Kirksville, holds the top slot in scoring, having chalked up 31 markers in five contests.

If the results of the Bearcat B-team season are a true indication of things to come, NWMSC fans can look forward to many winning contests on the Maryville gridiron for the next two or three years.

Remember the referee who turned in his whistle because he was sick of playing Blind Man's Bluff?

## Bearcat Bees Go Undeclared

The Bearcat Bees finished their season with a nearly-perfect record by beating William Jewell, 28-8, Oct. 16. The 'Cats dominated play from the opening kickoff. After 11 plays the Bearcats were ahead 14-0.

### Scoring Punch

Bob Early and Prime Williams provided the scoring punch. Joe Heater, a transfer from M.U., played inspired defense and provided strong leadership, offensively. Don Soper displayed a well-educated toe in kicking the conversions.

### B-team Record:

Maryville 20 Kirksville 0  
Maryville 13 Mo. Valley 3  
Maryville 26 Peru 9  
Maryville 28 William J. 8

In looking to the future in football at NWMSC, hopes should be high. The varsity is made up of mostly sophomores and juniors, with freshmen and sophomore boys filling in.

## Tomes Attends Safety Congress

Gary Tomes, sophomore, represented the state of Missouri at the National Safety Congress held in Chicago last week.

Tomes, active in 4-H club work and an organizer of the Bearcat 4-H club on campus, filled out a standard report form containing a list of his activities. These forms were judged and the winners announced to the Chicago meeting.

## Work Starting For' Cat Cagers

Looking forward to a December 1 opener against Washburn University, 20 Bearcat hardwood men began a season of roundball handling on October 16.

"I have a squad that wants to work," commented Coach Marion Moss after second day practice. Although it is too early to speculate on team chances, the Maryville basketball mentor feels that he has ample material with which to work. Twenty men are out for varsity; 21 are working for freshman competition.

### Five Return

The abundance of manpower includes five returning lettermen from the 1960-'61 squad: Gary Mezmarich, senior, LaSalle, Ill.; Don Drake, junior, Baileyville, Ill.; Paul Lizzo, junior, New York; Dick Hicks, junior, Maryville; and Bob Ogden, senior, Maryville.

Four sophomores, having played freshman ball last year, are expected to move into varsity category. They are Bob Beck, Jim Sanders, Randy Wolcott, and Bill Barbuto.

Freshmen Hal German, Ron Woods and Larry Demick and sophomores George Moore and Nick Neira also hold great promise for Northwest State competition.

Two new opponents, Nebraska Wesleyan and William Penn, have been added to complete the 20-game Bearcat cage schedule.

## M-Club Discusses Letterman Initiation

Initiation of new lettermen was the topic of discussion at the second regular M-club meeting of this year.

New track, baseball, and golf lettermen will be initiated this week. Signing of paddles will be required of new members from Tuesday to Thursday.

## Kirks' Keep "Stick" by Whipping 'Cats 36-7

A third-quarter aerial flurry bombed Northwest State College and returned the "Hickory Stick" to Kirksville for the sixth straight year as the Bulldogs won the MIAA Conference tilt, 36-7, Saturday at Kirksville.

Holding only a 14-7 advantage at halftime, the Kirks came back on the strength of Jack Ball's arm to rack up three touchdowns in the third canto and move far ahead of the Bearcats.

The win gave the defending loop champions a 2-0 mark in the race to return the MIAA title and a 5-1 record overall. Maryville is now 0-2 in conference and 2-4 for the season.

An estimated 7,500 homecoming fans saw the Bulldogs build up the most lopsided score in the traditional rivalry since the early 1930's.

Kirksville scored with 4:54 remaining in the first period when Joe Minton cracked across from six yards out to climax a 75-yard drive. Minton also added the extra point.

Jerry Germain set up Ted Michael's one-yard plunge for the next touchdown with a 36-yard dash. Michael's score ended an 83-yard march in nine plays. Minton again booted the extra point.

Six minutes later in the second quarter, it took the 'Cats only three plays to move 52 yards to pay dirt. Don Daniels lofted a 49-yard pass which bounced off Allen Kearns into Ed Whitaker's arms for a TD. Earl Boyd booted the conversion.

Along with 295 yards through

the air, the Bulldogs totaled 221 yards on the ground, while the 'Cats were racking up 216 total yards on 124 yards on the ground and 92 through the air.

The Bearcats go to Cape Girardeau Saturday for a conference tilt, while Kirksville will be out to spoil Springfield's homecoming.
